

## TO WHOM IT MAY CONCERN

Palau-solità i Plegamans, 2023

This is to certify that:

APLICACIÓN Y SUMINISTROS TEXTILES, S.A (ASUTEX) is a bluesign® system partner.

bluesign® system partners are responsibly acting parties of the textile supply chain that are committed to applying the bluesign® system. As such, they are required to meet a high level of safety for both people and the environment, to use resources responsibly, and to continuously improve their environmental performance.

Chemical products carrying the bluesign® approved label meet the strict ecological and toxicological requirements of the bluesign® criteria.

ASUTEX herewith confirms that the products mentioned below meet the bluesign® criteria for homologation, were approved according to the bluesign® system with blue or grey rating and were published in the bluefinder database<sup>1</sup> (<https://finder.bluesign.com/index.html>).
